## DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

## PROMINENT ITALIAN DEAD

Bassilio Toffaletti, aged 61 years, father of Louis Toffaletti, manager of the hardware department in H. B. Masters' store, died Saturday at his home in the Italian colony near Agnew, after a short illness, and was buried Sunday in the old cemetery. Rev. Father Bottolaccio conducted the funeral with the rites of the Roman Catholic church.

Mr. Toffaletti was a thrifty, well respected man and has made a good citizen. He came with his family from Italy sixteen years ago and settled at Green Cove Springs. Two years later he moved to Oxford and about twelve years ago came to Ocala, with a number of other families. The family came from Italy with 150 other families in a vessel chartered for the purpose. They were induced to come by a land speculator, who extorted so much—quite a large sum—per capita from the colony, which was to pay for a tract of land, buildings, stock and farming implements. Arriving in this country he skipped and the colonists found they had nothing except the goods brought with them. The man was caught, sent to Italy, tried and sentenced to nine years in prison, which he served out.

He says there is a strong pressure being brought to bear upon Mr. Sparkman, to get him to make the race for United States Senator. It would be difficult to find a better man for any office in the gift of our people than plain Steve Sparkman.
